May 13, 2026

Road Paving Alert!

Broome Bituminous will be conducting paving operations on the following roads:

- Reniff Road
- Cayuta St.
- Main St.
- Church St.
- Miller Hollow
- Ridge Rd – From Collins Hill to Ackley
- Ridge Rd – From Steenburg to Stone Quarry

Roadwork Notice for Our Community

Weather will determine the exact schedule, but the project is expected to begin **5/18/2026** and should take about **four rain-free days** to complete. During this time, please avoid parking along the roadside.

Crews will work to keep traffic moving, but some delays are unavoidable. Once **tack oil** is applied, it must be paved over before vehicles can safely travel on it, so plan extra time for work, school, and appointments.

For everyone's safety:

- Maintain distance from heavy equipment
- Pull into driveways when possible to let application vehicles pass
- Stay alert and use caution around the work zone

A little inconvenience now means a smoother, safer road when the work is done. Thank you for your patience and cooperation.

Updates will be posted on the **Town website** and **Facebook page**.

We appreciate your patience—this short inconvenience will result in a much better road.

~Thank you!
